Contributions to Hindus of Georgia PAC (aka HiPAC) are not deductible for federal income tax purposes. Contributions to HiPAC are voluntary. You may refuse to contribute without reprisal. Contributions to HiPAC will be used in connection with federal elections and are subject to the limitations and prohibitions of federal law. The proposed contribution amounts are merely suggestions; you may choose to contribute more or less or not at all. The maximum an individual may contribute is \$5,000 per calendar year. Corporate and foreign national contributions are prohibited. You must be either a US citizen or a lawful permanent resident to contribute to HiPAC, must be at least eighteen years of age, not a federal contractor and use your own funds. Federal law requires political committees to use best efforts to obtain and report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year.
